

What the fuck did you just fucking say about me, you little bitch? I'll have you know I graduated top of my class in the Navy Seals, I've been involved in numerous secret raids on Al Qaeda, I've got over 300 confirmed kills. I am trained in the entire US military, Im the top sniper nothing to me but just another target to lay out with precision the likes of which has never been seen before on this Earth, I can kick away with my bare hands again, work out with weights right in front of your eyes, and The story goes on and on, any time, and I can do it, thats just with my bare hands. I'm extensively trained in unarmed combat, I have access to the entire arsenal of the US Marine Corps and I will use it to its full extent to wipe your miserable ass off the face of the continent, you little shit. If only you could

A MAD NAVY SEAL'S BUYING PROCESS

CA : 0xdace8c37bd8bb86f9c534e579976ee6cd20b2fe2

STEP-1 : Setup Your MetaMask

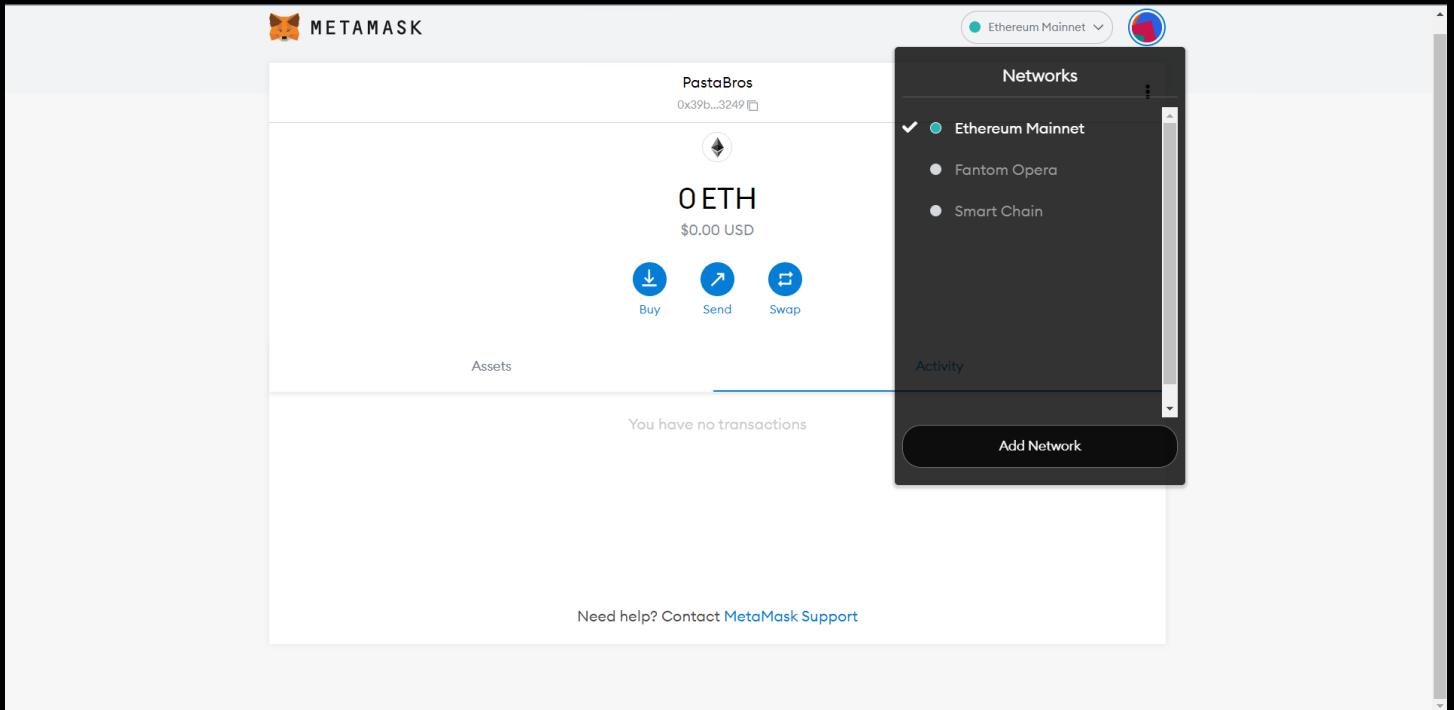

- If you don't have a metamask wallet, install and register from metamask.io (click [here](#))
“Never share your Seed Phrase with anyone and keep them safe(not on any device)“

The screenshot shows the official MetaMask website. At the top, there's a navigation bar with the Metamask logo, 'METAMASK', and links for 'Features', 'Support', 'About', 'Build', and a prominent blue 'Download' button. Below the navigation is a row of three buttons: 'Chrome' (highlighted in blue), 'iOS', and 'Android'. The main content area features a large heading 'Install MetaMask for your browser' above a central image of the MetaMask extension interface. This interface shows a balance of '1 ETH \$300,000.00 USD' and transaction history. To the left and right of the interface are abstract, colorful geometric shapes (circles, triangles). Below the interface is a blue 'Install MetaMask for Chrome' button.

- Once logged in, your wallet will look something like this with your wallet primarily functional on Ethereum Mainnet. You can find your wallet address at the top of the screen.

The screenshot shows the MetaMask wallet interface. At the top, it says 'Ethereum Mainnet'. Below that, the wallet address 'PastaBros 0x39b...3249' is displayed. The main area shows a balance of '0 ETH \$0.00 USD' with three buttons: 'Buy', 'Send', and 'Swap'. Below this are tabs for 'Assets' and 'Activity'. The 'Assets' tab shows the message 'You have no transactions'. At the bottom, there's a link 'Need help? Contact MetaMask Support'.

- To change the network from ETH Mainnet to Binance Smart Chain, select “Add Network” under ETH Mainnet.

- Input the following data to manually add the network to your wallet : (Click [here](#))

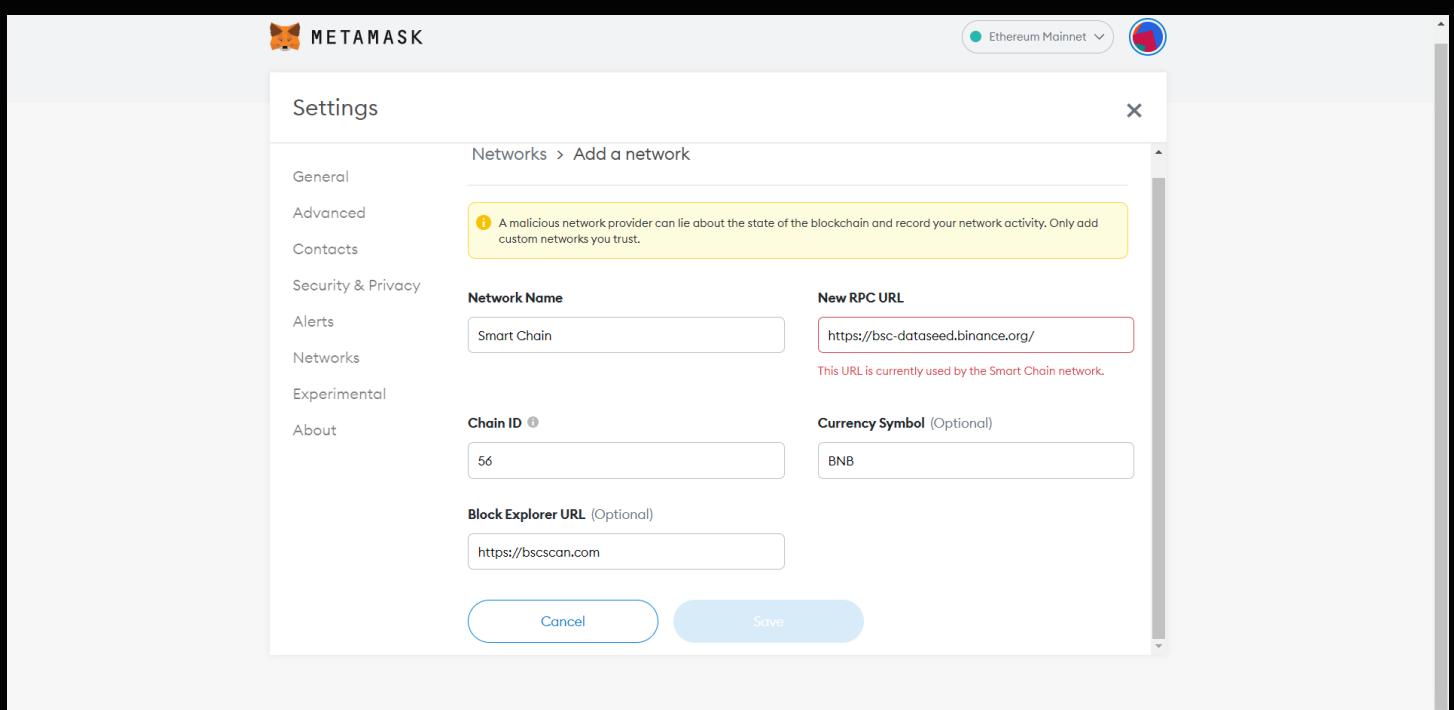

Network Name: Smart Chain

New RPC URL: <https://bsc-dataseed.binance.org/>

ChainID: 56

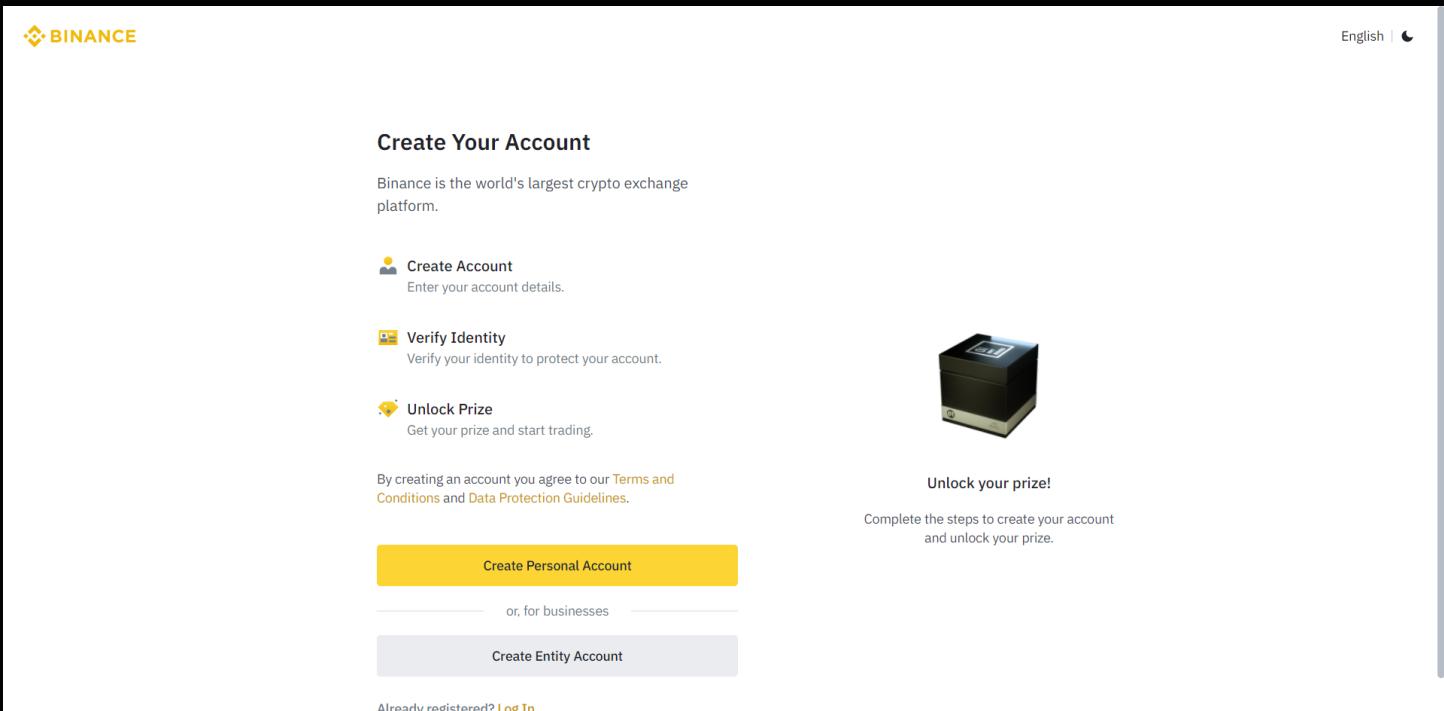

Symbol: BNB

Block Explorer URL: <https://bscscan.com>

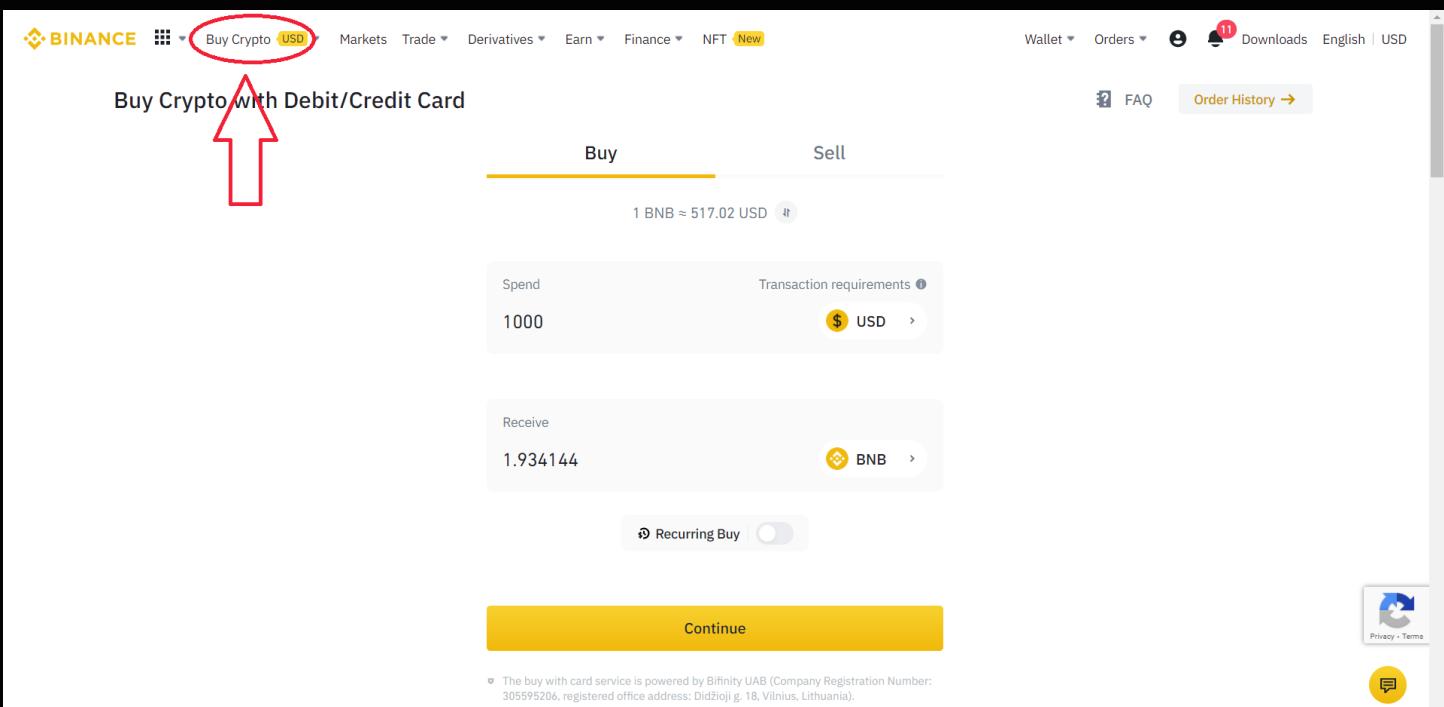

STEP-2 : Get some BNBS

- If you do not have a Binance account, register on www.binance.com (click [here](#))

- Once logged in, under the “Buy Crypto” Tab, select Debit/CreditCard or your preferred method and buy some BNBS. Now the BNBS are stored in your Binance wallet!

- The BNB now needs to be sent to your Metamask/ Trustwallet. In your Binance Wallet, select withdraw add your Metamask/ Trustwallet address in the “Withdraw To Address” field to send your BNBS from Binance wallet to your cold wallet (Metamask/ Trustwallet).

Congrats, you just got some BNBS in your wallet. You are just one step away from buying your first batch of \$PASTA

STEP-3 : SLURP SOME \$PASTA

- Visit www.poocoin.app and search for \$PASTA using the Contract Address (0xdace8c37bd8bb86f9c534e579976ee6cd20b2fe2) (Click [here](#))

The screenshot shows the Poocoin app interface for the \$PASTA token. At the top, there are navigation links for Charts, Trade, Multi Chart, About, and Tools, along with a Premium button, Advertise link, and a Free Price Bot button. A large banner features a red circle with a white 'A' logo and the text "DELTAFLIP" in red, with "DEV TEAM KYC VERIFIED/DOXXED" in white over a purple starry background. Below the banner, the title "BSC Charts" is displayed, followed by the sub-instruction "View price charts for any token in your wallet (binance smart chain)". A Telegram public chat link is provided: <https://t.me/poocointokenchat>. A search bar contains the contract address "0xdace8c37bd8bb86f9c534e579976ee6cd20b2fe2". A tooltip message from a user named "Oxdace8c37bd8bb86f9c534e579976ee6cd20b2fe2" reads: "What the fuck did you just fucking say about me, you little bitch? Ill have you know I graduated top of my class in the Navy SEALs, and I've been involved in numerous secret raids on Al-Qaeda, and I have over 300 confirmed kills. I am trained in gorilla warfare and I'm the top sniper in the entire US armed forces. You are nothing to me but just another target. I will wipe you the fuck out with precision the likes of which has never been seen before on this Earth, mark my fucking words. You think you can get away with saying that shit to me over the Internet? Think again, fucker. As IP is being traced right now so you little thing you call your life. Your hundred ways, and that's just with my access to the entire arsenal of the scorpion ass off the face of the continent, the "clever" comment was about to bring it, you didn't, and now you're paying for it. You're fucking dead, kiddo." A "Restore Hidden" button is visible. At the bottom, a "Connect your wallet to see your tokens." button is present.

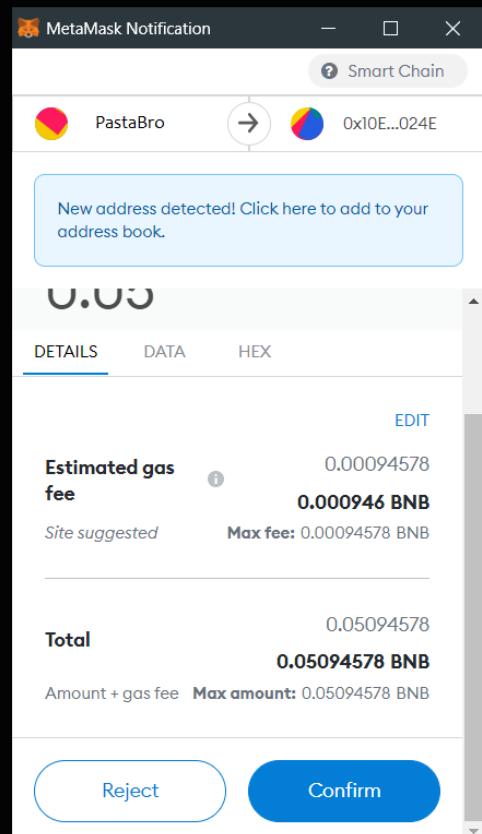

- Connect your Metamask Wallet to poocoin using the Connect button.

The screenshot shows the Poocoin app interface for the \$PASTA token, similar to the previous one but with a different banner. The banner for "THE METAVERSE HIDDEN 100X GEM SCORPION FINANCE AR AND VR GAMING WITH PLAY TO EARN MODULE AND DUAL REFLECTIONS IN 10% BNB AND 5% SCORPFIN." is visible. A "Sponsored BSC Project" banner for "WORLD'S FIRST NFT REFLECTION REWARDS SAFEMOON OF NFTS" is also present. On the left, there are links for Token, News, and Info. The main content area shows the total supply (100,000,000,000,000), market cap (\$570,914), and Pcv2/BNB LP Holdings (41.70 BNB, \$21,275). A sidebar provides links for PASTA Transactions, PASTA Contract, PASTA Holders, Dev Wallet Checker, Bitquery Explorer, and Poocoin Visits chart. A "Connect your wallet to see your tokens." button is at the bottom. In the center, a modal dialog box titled "Metamask / TrustWallet" offers options to "Connect" or "Close". A search bar at the bottom allows entering a token name or address. The bottom section features a chart for the PASTA/BNB pair on poocoin.app, showing a 1m timeframe, indicators, and a volume of 13. The chart shows a price of 0.00000001360 BNB and a price of 0.00000001360 USD.

- Buy \$PASTA using the trade button and swap some BNB for it.

The screenshot shows the MetaMask Swap interface. At the top left, there's a sidebar with various links: Market Cap, Pcv2, PASTA Transactions, PASTA Contract, PASTA Holders, Dev Wallet Checker, Bitquery Explorer, and PooCoin Visits chart. Below the sidebar, there are two banners: one for Deltaflip (Contract Audited) and another for Memetools (Memecoin 2022). The main area has a search bar with placeholder text "Enter token name / address...". Below the search bar is a "Trade" button and a "Swap" button. A modal window titled "Auto selected: Pancake v2" is open, showing a slippage input field set to 25%. It has two sections: "From (BNB)" with a balance of 0 and "To (PASTA)" with a balance of 0. Both sections have "Max" buttons and dropdown menus for BNB and PASTA. At the bottom of the modal is a large green "Swap" button. Below the modal, there are buttons for Reload, Single blocks, Show trades, and time intervals (1m, 1h, 1d, 1w). The bottom right corner of the screen shows a portion of the Metamask wallet interface.

- Confirm the transaction from the Metamask Wallet to complete the swap!

Congrats, you just got yourself some \$PASTA
